Die Spieler werden in einer festen **Reihenfolge** versteigert, und zwar absteigend nach dem Spielerwert.

Das **Mindestgebot** errechnet sich wie folgt: $(1W10 + MB\text{-Level}) * 10\% * \text{Spielerwert}$. DT gilt hier als MB. Level, die erst nach einer Umwandlung hinzukommen, zählen nicht (Wolves, Berserker). Ausnahmen: Ein unmodifiziertes Ergebnis von 1 oder 2 bedeutet, daß sich der Spieler zu Ruhe setzt. Ein Ergebnis von 3, 4 oder 5 bedeutet, daß das Mindestgebot bei 50% des Spielerwerts liegt.

Für Spieler einer Basisrasse, die nicht zur eigenen Basisrasse gehören, muß sofort nach dem Kauf ein **Fremdrassenzuschlag** entrichtet werden. Dieser beträgt 50.000 GCs bzw. 100.000 GCs; wenn der neue Spieler gegenüber der eigenen Basisrasse in irgendeinem Skill oder Stat besser ist, müssen 100.000 GCs bezahlt werden – das Gleiche gilt, wenn die Position in der eigenen Aufstellung nicht vorkommt. Dies ist eine Änderung, die in dieser Saison in Kraft getreten ist!
